Foreword from Saumitra

Dear future Germany student,

I have been doing this work for 14 years. In that time, I have personally counselled more than 2,500 Indian families about studying in Europe, and placed over 500 students at top German universities — TU Munich, RWTH Aachen, KIT Karlsruhe, TU Berlin, Heidelberg. I have visited 40+ German campuses myself, met admissions officers, professors, and our own alumni now working at SAP, BMW, Bosch, and Allianz.

Here is what I have learned: **Germany is the single best country in the world for an Indian student who wants a world-class engineering or science education without going into debt.** Free or near-free tuition. EU Blue Card path to permanent residence. Starting salaries of EUR 55,000-80,000 within two to three years of graduation. No country in the West offers this combination at this cost.

But here is the harder truth: most Indians apply to Germany the wrong way. They follow generic YouTube advice, miss the APS certificate step, choose the wrong universities for their profile, blow scholarship deadlines, and end up either rejected or settling for programs that do not match their potential.

This guide is everything I wish every Indian student had before they applied. It is brutally specific — real university names, exact tuition in EUR and INR, precise document checklists, sample emails to professors, and the 12-month roadmap that has worked for 500+ of our students.

If you read this guide carefully, you will know more about studying in Germany than 95% of Indian applicants. If you implement it, you will give yourself a real shot at the university you actually want.

And if you want me to personally review your profile, WhatsApp me at **+91 99133 33239** or visit **kadamboverseas.com**. The first 30 minutes are free, and I take this work personally.

Welcome to Germany. Let us begin.

— **Saumitra Rajput**

Why Germany — The Smart Indian Choice

Quick read: Germany hosts approximately 50,000 Indian students — the second-largest Indian student community in any non-English-speaking country. Free tuition + world-class engineering + a clear EU residency path explains why the smart families are choosing it.

The Five Reasons That Actually Matter

Reason 1: Tuition Is Free at 14 of 16 German States

In 2014, Germany abolished tuition fees at every public university — yes, even for non-EU Indian students. Twelve years later, the policy still holds in fourteen of sixteen German states.

Two states quietly reintroduced fees: **Bavaria** (TU Munich, LMU Munich) and **Baden-Württemberg** (KIT, Heidelberg, Stuttgart). Both charge EUR 1,500 per semester — roughly INR 1.35 lakh. Still 95% cheaper than the same Master's at Stanford or MIT.

Everywhere else — Berlin, Hamburg, Cologne, Frankfurt, Dresden, Leipzig — tuition is genuinely zero. You pay only a semester contribution of EUR 150-350. That contribution often includes your unlimited public transport pass for the entire region.

Compare: A two-year Master's at Stanford runs INR 1.8 crore in tuition alone. The same MS at TU Berlin costs INR 1.5 lakh. **You save 99% on tuition.**

Reason 2: 17 German Universities Rank in QS World Top 200

When parents ask me whether German degrees are respected globally, I show them this. Germany has 17 universities in the QS World Top 200 and 95+ in the Top 500. Here are the elite for Indians:

University	QS 2026	Best For Indians
Technical University Munich (TUM)	#28	Engineering, CS, Physics
LMU Munich	#59	Sciences, Medicine
Heidelberg University	#84	Medicine, Sciences
RWTH Aachen	#99	Mechanical, Electrical Eng
Free University of Berlin	#98	Humanities, Sciences
KIT Karlsruhe	#98	Engineering, Computer Science
Humboldt University Berlin	#120	Humanities, Sciences
TU Berlin	#154	Engineering, CS
University of Tübingen	#208	AI, Machine Learning
University of Bonn	#239	Math, Economics

Reason 3: The EU Blue Card — Fastest PR Path

Indian families ask me one question more than any other: after my child graduates, what is the path to permanent residence? In Germany, the answer is simpler and faster than anywhere else.

Year	Status	Action
1-2	Master's student	2-year German MS degree
2-2.5	Job-seeking visa	18 months to find first job EUR 58,400+
3	EU Blue Card	Issued upon first qualifying job offer
4.75	Permanent Residence	21 mo on Blue Card + B1 German
7-8	German Citizenship	5 years total residence + B1 German

Compare to the United States: H1B lottery has roughly 10% odds for Indians, then 10+ years for the Green Card. **Germany is faster, more predictable, and you control the timeline.**

Reason 4: Indian MS Graduates Earn EUR 55,000–80,000 Starting

I track our alumni salaries every year. Here is what an Indian MS graduate from a German university earns in the first job out of school:

Field	Starting Salary	After 5 Years
Software Engineer (SAP, BMW Digital, Siemens)	EUR 55-70K	EUR 80-110K
Mechanical Engineer (BMW, Mercedes, Bosch)	EUR 52-65K	EUR 75-95K
Data Scientist (Allianz, BMW, Siemens)	EUR 60-75K	EUR 85-115K
Investment Banking (Deutsche Bank, JPM Frankfurt)	EUR 70-90K + bonus	EUR 110-160K + bonus
Strategy Consulting (McKinsey/BCG/Bain Munich)	EUR 80-100K + bonus	EUR 150-220K + bonus
Pharma R&D (Bayer, Boehringer Ingelheim)	EUR 58-78K	EUR 90-120K

A 2-year MS in Germany costs about INR 15-25 lakh total. A first-year salary of INR 55-65 lakh at a German tech firm pays back the entire investment in 6-9 months. **My students hit financial freedom faster than any country I have ever recommended.**

Reason 5: 250,000 Indians Already Live in Germany

Cultural comfort matters more than people admit. When you land in Munich or Berlin, you are not the only Indian. Roughly 250,000 Indians live in Germany today, including 50,000 students.

City	Indian Community	Speciality
Munich	50,000+	Largest community, BMW + Allianz
Berlin	40,000+	Youngest, startup-oriented
Frankfurt	30,000+	Banking + Finance
Stuttgart	25,000+	Mercedes, Porsche, Bosch
Cologne	18,000+	Friendly culture, balanced cost

City	Indian Community	Speciality
Hamburg	15,000+	Shipping, media, Airbus
Aachen	8,000+	Highest density (RWTH Aachen)

Honest Reality Check

Germany IS the Right Choice If:

- You want an engineering, computer science, or sciences degree
- Your family budget is INR 15-25 lakh (not INR 80L+ for USA/UK)
- You are open to learning German (B1 needed within 2-3 years for jobs)
- You want a clear path to EU residence and citizenship
- You can plan 12-18 months ahead (German applications take time)

Germany is NOT the Right Choice If:

- You want a US-focused career (American firms in Germany are limited)
- You want a 1-year MS program (Germany standard is 2 years)
- You refuse to learn any German (English jobs are 30% of market only)
- You want immediate post-degree migration (Germany is 4-5 years)
- You want non-STEM fields (humanities/arts have weaker job prospects)

"Of the 500-plus Indian students I have placed in Germany, about 85% are happy with the decision after five years. The 15% who regret usually fall into one of three buckets: chose the wrong university for their profile, underestimated how important German would become, or did not manage their first-year finances."

— Saumitra Rajput

Chapter 2

The 25 German Universities Worth Your Application

Quick read: 95+ German universities accept Indian students, but only about 25 are realistically worth your time. This chapter ranks them by acceptance rate, English program availability, and graduate outcomes.

Tier 1: The Elite — Apply if Your CGPA is 8.5+

University	QS 2026	Tuition/Year	Indian Students	Acceptance
TU Munich (TUM)	#28	EUR 4,000	~3,500	3-5%
LMU Munich	#59	EUR 3,000	~1,500	5-8%
Heidelberg University	#84	EUR 3,000	~2,000	8-12%
RWTH Aachen	#99	Free + EUR 560	~3,000	10-15%
KIT Karlsruhe	#98	EUR 3,000	~2,500	8-12%

Tier 2: Strong Alternatives — Apply if CGPA 7.5-8.5

University	Tuition/Year	Strong For	Indian Student
TU Berlin	Free + EUR 620	Engineering, CS, IT	~3,500
TU Darmstadt	Free + EUR 600	Engineering, Cybersecurity	~1,200
University of Stuttgart	EUR 3,000	Automotive Engineering	~1,800
TU Dresden	Free + EUR 600	Engineering, Microelectronics	~1,500
University of Hamburg	Free + EUR 700	Sciences, Marine Biology	~1,000

University	Tuition/Year	Strong For	Indian Student
FU Berlin	Free + EUR 620	Humanities, Political Science	~2,000
Humboldt University Berlin	Free + EUR 620	Classical research	~1,200
University of Bonn	Free + EUR 600	Math, Economics	~800
University of Tübingen	EUR 3,000	AI / Machine Learning	~600
University of Freiburg	EUR 3,000	Sciences, Microsystems Eng	~700

Tier 3: Practical Options for 70-75% Marks

If your BTech CGPA is between 7.0-7.5, do not waste applications on TUM. Apply to these instead — excellent universities with much better acceptance odds:

University	Strength
TU Hamburg-Harburg	Engineering
University of Erlangen-Nuremberg (FAU)	Engineering, Medicine
TU Braunschweig	Aerospace, Mechanical
University of Cologne	Economics, Business
Goethe University Frankfurt	Finance, Economics
University of Mannheim	Business, Economics
TU Kaiserslautern	Computer Science, Engineering
University of Würzburg	Sciences, Medicine
TU Chemnitz	Engineering (cheapest, easiest admission)

The Underrated Path: Universities of Applied Sciences (Hochschule)

Germany runs two parallel higher education systems. Universities are research-focused with longer Master's programs. **Hochschulen (Universities of Applied Sciences) are practice-focused with mandatory paid internships.**

I tell 70-80% of my Indian students with a 7.0-8.5 CGPA: a Hochschule is smarter than reaching for TUM. Here is why:

Aspect	University (TUM, RWTH)	Hochschule (UAS)
Focus	Theoretical / Research	Applied / Practical
Acceptance Rate	5-15%	30-50%
Mandatory Internship	No	Yes (paid EUR 1,200-1,800/mo)

Aspect	University (TUM, RWTH)	Hochschule (UAS)
Industry Connections	Strong but indirect	Direct (BMW, Siemens, Bosch)
Class Size	50-200 students	15-30 students
EU Blue Card Eligible	Yes	Yes (same)
Best For	Research / PhD route	Direct industry job

"A student at TUM is competing for the top 3% of jobs. A student at a strong Hochschule is being recruited directly during their mandatory internship. By graduation, the Hochschule student often has a job offer in hand. The TUM student is still searching."

— Saumitra Rajput

Top Hochschulen for Indians: Munich UAS (HM), HTW Berlin, Hochschule Darmstadt, Hochschule Bremen, Hochschule Mittweida.

Chapter 3

The Real Cost — What You Will Actually Spend

Quick read: A two-year MS at a German public university costs an Indian student approximately INR 15-22 lakh in total. With part-time work (allowed up to 20 hours per week), you can offset 30-50% of living costs.

Tuition by State

The first cost question every Indian parent asks me: how much for the actual education? The answer depends entirely on which German state your university is in.

German State	Annual Tuition	Top Universities
Bavaria	EUR 3,000	TU Munich, LMU Munich
Baden-Württemberg	EUR 3,000	KIT, Stuttgart, Heidelberg
Berlin	Free + EUR 620	TU Berlin, FU Berlin
Hamburg	Free + EUR 700	University of Hamburg, TU HH
Saxony	Free + EUR 600	TU Dresden, Leipzig
North Rhine-Westphalia	Free + EUR 560	RWTH Aachen, Bonn, Cologne
All other 11 states	Free + EUR 300-600	Most universities

The EUR 300-700 per year you pay as a "semester contribution" usually includes your unlimited regional public transport pass for the entire region. That alone is worth EUR 1,000+ per year. **Try getting that anywhere else.**

Living Cost by City — Real Monthly Numbers

City	Total Monthly	Indian Community	Best For
Munich (most expensive)	EUR 950-1,300	50,000+	BMW, Allianz, Microsoft
Frankfurt	EUR 850-1,150	30,000+	Banking + Finance
Berlin	EUR 750-1,050	40,000+	Vibrant, startups
Stuttgart	EUR 820-1,120	25,000+	Mercedes, Porsche, Bosch
Hamburg	EUR 820-1,120	15,000+	Shipping, media, Airbus
Cologne	EUR 750-1,000	18,000+	Friendly + balanced
Aachen	EUR 650-880	8,000+	RWTH Aachen students
Karlsruhe	EUR 700-950	6,000+	KIT students
Dresden	EUR 620-870	4,000+	TU Dresden, low cost
Chemnitz / Cottbus	EUR 550-750	<2,000	Tightest budgets

Detailed Monthly Breakdown — Berlin Example

Item	EUR	INR Equivalent
Rent (1-room shared apartment)	EUR 450	INR 40,500
Food and groceries	EUR 280	INR 25,200
Public transport (semester ticket)	EUR 0	COVERED!
Health insurance (TK)	EUR 115	INR 10,350
Phone (German SIM)	EUR 15	INR 1,350
Internet (shared)	EUR 10	INR 900
Personal / social / clothing	EUR 100	INR 9,000
TOTAL MONTHLY	EUR 970	INR 87,300

Total Two-Year Cost — Three Scenarios

Scenario A: Cheap City (Aachen, Dresden, Chemnitz)

Item	EUR	INR
Tuition (4 semesters at EUR 0-300)	EUR 0-1,200	INR 0-1.1 lakh
Living (24 months at EUR 750/mo)	EUR 18,000	INR 16.2 lakh
One-time setup	EUR 1,500	INR 1.35 lakh
TOTAL	EUR 19,500-20,700	INR 17.5-18.6 lakh

Scenario B: Mid-Cost (Berlin, Cologne)

Item	EUR	INR
Tuition	EUR 0-1,500	INR 0-1.35 lakh
Living (24 months at EUR 1,000/mo)	EUR 24,000	INR 21.6 lakh
One-time setup	EUR 1,800	INR 1.6 lakh
TOTAL	EUR 25,800-27,300	INR 23.2-24.6 lakh

Scenario C: Expensive (Munich, Frankfurt)

Item	EUR	INR
Tuition (Bavaria/BW)	EUR 6,000	INR 5.4 lakh
Living (24 months at EUR 1,200/mo)	EUR 28,800	INR 25.9 lakh
One-time setup	EUR 2,000	INR 1.8 lakh
TOTAL	EUR 36,800	INR 33.1 lakh

"Most Indian students should target the INR 18-22 lakh range. Save the premium budget for the master's plus first year of work, when you actually want to live in Munich."

The Side-Job Strategy — Earn While You Study

German student visas allow up to 20 hours per week of part-time work, or 120 full days per year. For most of our students, side-job income covers 50-70% of living expenses by year two.

Job Type	Hourly Rate	Monthly Income (20 hrs/week)
Werkstudent (working student)	EUR 15-22/hr	EUR 1,200-1,800
University HiWi (research/teaching)	EUR 12-15/hr	EUR 960-1,200
Tutoring (math, physics, IT)	EUR 15-25/hr	EUR 1,200-2,000
Restaurant / cafe	EUR 11-13/hr	EUR 880-1,040
Paid internship in field	—	EUR 1,000-1,800/mo

Year 1: Focus on coursework + German language. **Year 2:** Land a Werkstudent role at your target post-graduation company. By graduation you have two years of company-specific experience plus a likely full-time offer.

DAAD + 10 Other Scholarships

Quick read: Germany funds international students more generously than any other top country. DAAD alone awards approximately 3,000 scholarships to Indians annually. Most actively-applying Indian students receive some form of funding.

DAAD — The Scholarship Every Indian Should Apply To

DAAD stands for Deutscher Akademischer Austauschdienst, the German Academic Exchange Service. It is the main agency funding international students in Germany.

What DAAD Master's Scholarships Provide

Item	Value
Monthly Stipend	EUR 992 (INR 89,000/month)
Health + Accident Insurance	Provided
Travel Allowance	EUR 1,000 (one-time)
Study Allowance	EUR 460 (one-time)
Family Allowance (spouse)	EUR 276/month
Family Allowance (per child)	EUR 174/month
Duration	12 to 24 months
Total Package Value	EUR 15,000-30,000 (INR 13.5-27 lakh)

DAAD Eligibility Requirements

- Bachelor's degree (BTech/BSc) with **minimum 70% marks**
- 2+ years professional experience preferred (some sub-programs)
- Strong motivation letter and research statement
- IELTS 6.5+ or TOEFL 88+, OR B2 German for German-taught programs

DAAD Application Timeline (for September 2026 intake)

When	What
August 2025	Application opens
October 31, 2025	Application deadline (FIRM)
March-April 2026	Selection process
May 2026	Award letter issued
September-October 2026	Stay begins in Germany

"DAAD heavily values the "Why Germany" and "How will this benefit India" essays. Generic motivation letters get rejected within minutes. Be specific about how you will apply your German education back in India or in EU."

— Saumitra Rajput

10 Other Scholarships You Can Win

Scholarship	Stipend / Month	Best For
Deutschlandstipendium	EUR 300	Top academics + need-based
Friedrich Ebert Foundation	EUR 861	Social democracy + activism
Konrad Adenauer Foundation	EUR 861	Christian Democratic values
Heinrich Böll Foundation	EUR 1,200	Environmental + sustainability
Heinrich Hertz Foundation	EUR 1,200	Technical / STEM studies
Rosa Luxemburg Foundation	EUR 861	Left / progressive politics
Hans Böckler Foundation	EUR 861	Trade union + working-class
Erasmus+ (EU-Funded)	EUR 700-1,200	Master's exchange semesters
Begabtenförderungswerke (13 group)	EUR 861-1,200	Top academics + leadership
University-Specific (TUM/RWTH/KIT)	Varies	Apply after admission

Realistic Scholarship Strategy by Profile

Tier 1 (CGPA 8.5+, top BTech)

Step	Action
Primary Target	DAAD Master's Scholarship
Secondary	2-3 political foundations (Ebert, Adenauer, Böll)
Backup	University-specific scholarships after admission
Expected Outcome	50-70% receive some funding

Tier 2 (CGPA 7.5-8.5, mid-tier BTech)

Step	Action
Primary Target	Deutschlandstipendium (after admission)
Secondary	Erasmus+ via Indian uni partnership
Backup	Werkstudent jobs (EUR 1,500/mo replaces scholarship)
Expected Outcome	30-50% receive funding

Tier 3 (Below 7.5 CGPA)

Step	Action
Primary Target	Deutschlandstipendium (need-based component)
Backup	Werkstudent income covers all living costs
Expected Outcome	20-30% receive funding; rest self-fund

"Do not bank on DAAD as your only plan. Apply for it, absolutely. But simultaneously plan for self-funding via Werkstudent plus family savings. About 70% of Indian students at German universities self-fund through this combination."

— Saumitra Rajput

The Application Process Step by Step

Quick read: German MS application is more complex than US/UK because of three Indian-specific requirements: (1) APS certificate, (2) uni-assist centralized portal, (3) earlier deadlines. Plan 12-18 months ahead.

The 18-Month Application Timeline

Month	Phase	Action
T-18 to T-12	Foundation	Decide field + research universities + start German A1
T-12 to T-8	Tests	Take IELTS (6.5+), GRE if applying to TUM/RWTH
T-12 to T-8	APS	Begin APS certificate application (4-8 weeks)
T-8 to T-6	Documents	Apostille via MEA, translate, request LORs
T-6 to T-4	Apply	Register on uni-assist, apply to 5-7 universities
T-6	Scholarship	Submit DAAD application by October 31
T-4 to T-2	Decisions	Receive admissions + apply for student visa
T-2 to 0	Pre-departure	Open Sperrkonto, get insurance, book flights
Month 0	Arrival	Anmeldung within 14 days, begin Master's

The APS Certificate — The Critical Indian Document

APS (Akademische Prüfstelle, Academic Evaluation Centre) is mandatory for ALL Indian students applying to German universities. It verifies the authenticity of your Indian academic documents.

Step	Action
1	Visit aps.org.in (official portal)
2	Submit your transcripts + degree certificates
3	Pay EUR 100 fee (INR 9,000)
4	Attend APS interview (Pune/Bangalore/Delhi/Mumbai/Chennai)
5	Receive APS certificate (4-8 weeks total)
Validity	LIFETIME — once issued, valid forever

Without APS, your application is automatically rejected by uni-assist and German universities. **The APS interview verifies you actually completed your degree** (not fake).

uni-assist — The Centralized Application Portal

uni-assist is the centralized German application portal for ~150 universities. Most German universities require you to apply through it (some, like TUM and RWTH, have their own portals).

Documents Required

- APS certificate (mandatory for Indians)
- Transcripts (Bachelor + any prior education)
- Degree certificate (apostilled + translated)
- IELTS / TOEFL score report
- GRE score report (if applicable)
- Motivation letter / Statement of Purpose
- Curriculum Vitae (CV)
- 2-3 Letters of Recommendation
- Passport copy

The Two German Intakes

Intake	Application Deadline	Stay Begins	Programs
Winter (most popular)	July 15, 2026	September/October 2026	4x more options
Summer (smaller)	January 15, 2026	March/April 2026	Fewer programs

Always target Winter intake unless your dream program only accepts Summer. Winter has 4x more program options + better scholarship timing.

The Motivation Letter — What Wins, What Loses

What Successful Indian Motivation Letters Contain:

- **Specific** "Why Germany" reasoning (not "Germany has good education")
- **Specific** university choice (mention 1-2 specific professors whose work excites you)
- **Connection** between your past projects and proposed Master's
- **Career goal** linking back to India or EU
- **Demonstrated knowledge** of the program curriculum (mention specific courses)

Common Mistakes That Cause Rejection:

- Generic "I want to study in Germany because of free education"
- Listing achievements without showing how they prepare you for THIS program
- No connection to specific university (could apply to any university)
- Spelling/grammar errors (use Grammarly + 2 human reviewers)
- Plagiarism (all motivation letters are checked)

German Student Visa Without Stress

Quick read: Once admitted, Indian students need a National Visa Type D for Studies (Studentvisum) to enter Germany. Processing takes 4-12 weeks. Apply early.

Where to Apply — VFS Global Centers

Consulate	Average Processing
New Delhi	4-6 weeks
Mumbai	6-8 weeks
Bengaluru	8-12 weeks (longest queue)
Chennai	6-8 weeks
Kolkata	6-8 weeks

Book at: visa.vfsglobal.com/ind/en/deu

Required Documents Checklist

Document	Notes
Visa application form	Filled, signed, 2 copies
Passport	12+ months validity beyond visa expiry
3 biometric photos	35x45mm, white background
University admission letter	Original + copy
Blocked account proof (Sperrkonto)	EUR 11,904 minimum (2026)
Health insurance	Must cover from arrival until enrollment
Bachelor's degree + transcripts	Apostilled + translated

Document	Notes
APS certificate	Original
IELTS / TOEFL score report	Required
Motivation letter	1-2 pages
CV / Resume	Europass format
Birth certificate	Apostilled
Visa fee	EUR 75 (INR ~6,750)

Step-by-Step Application Process

Step	Action
1	Book VFS appointment 8-12 weeks before travel
2	Prepare documents (2-4 weeks): APS + Sperrkonto + insurance
3	Attend VFS appointment, submit documents + biometrics
4	Pay visa fee EUR 75 at appointment
5	Wait for decision (4-12 weeks)
6	Pickup passport with visa stamp

Common Visa Interview Questions

If your application is borderline, the consulate may call you for a 15-20 minute interview. Common questions:

1. Why do you want to study in Germany specifically?
2. Why did you choose this university?
3. What is your motivation for this Master's program?
4. What is your career plan after graduation?
5. How will you finance your studies?
6. What is your knowledge of German language?
7. Will you return to India after your studies?
8. Tell me about your Bachelor's project.

"Be honest, specific, concise. Do not say "I want to settle in Germany" — it signals you will overstay. Do say "I want to gain international experience and apply learnings to Indian or EU industry.""

— Saumitra Rajput

What If Your Visa Is Rejected?

Common rejection reasons: insufficient blocked account, weak motivation letter, document issues, suspected immigration intent, health insurance gap.

Read the rejection letter carefully — it specifies the exact reason. Address the specific issue and reapply (no waiting period required).

Visa Type Comparison

Visa Type	Purpose	Validity
Studentvisum	For students with confirmed admission	3-6 months for arrival
Studienbewerbervisum	Apply to German unis IN Germany	9 months
Sprachkursvisum	German language course only	Course duration (max 1 year)

Blocked Account (Sperrkonto) Made Simple

Quick read: Indian students need to deposit EUR 11,904 in a German blocked account (Sperrkonto) for 2026 — proof you can support yourself for the first year. Choose a digital provider like Expatrio or Fintiba for fastest setup.

What Is a Blocked Account?

A Sperrkonto is a special German bank account where you deposit money before your visa is approved. The bank "blocks" the funds — you can withdraw only EUR 992 per month.

Annual required amount for 2026: EUR 11,904 (EUR 992 × 12 months). This figure increases 3-5% annually.

Top 5 Sperrkonto Providers Compared

Provider	Setup Time	Setup Fee	Monthly Fee
Expatrio (most popular)	1-3 days	EUR 49	EUR 5
Fintiba	2-4 days	EUR 89	Free year 1
Coracle	3-7 days	EUR 99	Free
Deutsche Bank	4-8 weeks	EUR 150	EUR 4.99
Sutor Bank (via Fintiba)	Same as Fintiba	—	—

"Use Expatrio for fastest setup (1-3 days) or Fintiba for lower long-term fees. Both are reliable and used by 70%+ of our Indian students."

— Saumitra Rajput

Step-by-Step: Opening Sperrkonto with Expatrio

Step	Action
1	Online registration at expatrio.com (15 minutes)
2	Choose Value Package (EUR 49 + bundles insurance)
3	Identity verification: passport + video call (1-2 days)
4	Transfer EUR 11,904 from India (use Wise for best rates)
5	Receive Sperrkonto confirmation letter for visa
6 (after arrival)	Activate German bank card, withdraw EUR 992/month

Best Money Transfer Options from India

Option	Exchange Rate	Speed	Best For
Wise (TransferWise)	~INR 93/EUR (best)	1-2 days	Lowest cost
Western Union	~INR 95/EUR	Faster	Quick alternative
Indian Bank Wire (SBI/HDFC)	~INR 96/EUR (worst)	5-10 days	Last resort

LRS Limit + Tax Implications

- Each Indian can transfer up to **USD 250,000/year** under Liberalised Remittance Scheme (LRS)
- Sperrkonto deposit (EUR 11,904 = ~USD 12,800) is well within limit
- TCS (Tax Collected at Source) of 5% applies for remittances above INR 7 lakh — file Form 26AS to claim refund
- Use a CA familiar with international transfers
- Funds in Sperrkonto are NOT taxable as income (it's your own money)

Chapter 8

Where to Live — Cities, Housing, Daily Life

Quick read: Germany's livability for Indian students depends heavily on city choice. Munich and Frankfurt are expensive but offer top jobs. Berlin is cheaper, vibrant, with the largest Indian community.

Top 10 German Cities for Indian Students

City	Population	Indian Community	Top Industries
Munich	1.5M	50,000+	BMW, Allianz, Siemens, Microsoft
Berlin	3.8M	40,000+	SAP Berlin, N26, Zalando, startups
Frankfurt	800K	30,000+	Deutsche Bank, ECB, JPMorgan
Hamburg	1.9M	15,000+	Airbus, shipping, media
Stuttgart	630K	25,000+	Mercedes, Porsche, Bosch
Cologne	1.1M	18,000+	Media, e-commerce, insurance
Aachen	250K	8,000+	BMW Aachen plant
Karlsruhe	310K	6,000+	SAP regional, Bosch
Dresden	560K	4,000+	Microelectronics, VW
Leipzig	600K	3,000+	BMW Leipzig, Porsche, DHL hub

Housing — How to Find Accommodation

Option 1: Studentenwerk (Student Housing) — CHEAPEST

- Rent: **EUR 200-400/month** for shared apartment or single room
- Apply through your university's Studentenwerk office
- Apply EARLY: 6+ months before semester (demand exceeds supply)

Option 2: WG Shared Apartment — MOST POPULAR

- Rent: **EUR 350-650/month** for room in shared apartment
- Find via [wg-gesucht.de](https://www.wg-gesucht.de) (most popular German platform)
- Application: brief intro to flatmates, attend casting (interview)

Option 3: Studio Apartment (Solo Living)

- Rent: **EUR 600-1,200/month**
- Find via [ImmobilienScout24.de](https://www.immobilienscout24.de), [Immowelt.de](https://www.immowelt.de)
- Often requires deposit (3 months rent)

"Apply to Studentenwerk first (best value if you get it). If not available within 1 month of acceptance, switch to WG search via [wg-gesucht.de](https://www.wg-gesucht.de)."

— Saumitra Rajput

Daily Life Essentials

Category	Recommendation	Cost
Public Transport	Free semester ticket OR Deutschland Ticket	EUR 0-58/month
Health Insurance	TK (Techniker Krankenkasse), AOK, Barmer	EUR 115-130/month
Bank Account	DKB, ING-DiBa, N26 (free)	EUR 0/month
Mobile Plan	Lyca, congstar, Vodafone CallYa	EUR 10-20/month
Indian Groceries	Asia Markt, indien-versand.de	Variable

Culture Shock — What Surprises Indians Most

- 1. Quietness:** German culture values quiet (no loud music in trains)
- 2. Punctuality:** Trains and appointments are EXACTLY on time
- 3. Cash culture:** Many places still prefer cash over cards
- 4. Sunday closures:** All shops closed Sunday (plan Saturday shopping!)
- 5. Recycling rules:** Strict separation of glass/paper/plastic
- 6. Direct communication:** Germans are blunt, not rude, just honest

German Language — The Honest Truth

Quick read: For your Master's degree, German is NOT mandatory if you choose an English-taught program. For jobs after Master's, B1-B2 German is HIGHLY recommended (jobs without German pay 30% less). For PR + citizenship, B1 German is REQUIRED.

When You Need German

Use Case	German Required?
STEM Master's (CS, Engineering, Physics, Math)	NO — 80% English
Business / MBA programs	NO — 95% English
Humanities, Law, Medicine, German Literature	YES — mostly German
English-only jobs (tech multinationals)	~30% of market
B2+ German jobs	~70% market, 25-40% higher pay
EU Blue Card application	NO
PR (Niederlassungserlaubnis)	YES — B1 minimum
German citizenship	YES — B2 minimum

Realistic German Roadmap for Indians

Phase	Goal	Method
Pre-Departure (3-6 mo)	A1 level (basic survival)	Duolingo, Goethe apps, Easy German
Year 1 of Master's	A2 level	University German classes (often FREE)
Year 2 of Master's	B1 level (intermediate)	Intensive classes + German news/Netflix
Post-Master's (Year 3+)	B2 level (fluent for work)	Within 1 year of starting first job

Where to Learn German in India

Option	Cost	Best For
Goethe Institute (Mumbai/Pune/Delhi/etc)	INR 15-25K/level	Most reputable, certified
Online intensive (Lingoda)	INR 15K/month	Flexibility + speed
DIY (Duolingo + DW + Easy German)	INR 2-5K total	Self-disciplined learners

German Tests Explained

Test	When You Need It
Goethe-Zertifikat A1	Spouse / family reunion visa
Goethe-Zertifikat B1	PR application (Niederlassungserlaubnis)
Goethe-Zertifikat B2	Citizenship + most German jobs
Goethe-Zertifikat C1	German-medium university programs + government jobs
TestDaF	German-taught Master's admission (humanities)

Your Career After Master's

Quick read: ~80% of Indian MS graduates find jobs in Germany within 6 months of graduation. Average starting salary EUR 55,000-80,000. Top employers: BMW, Mercedes, Bosch, Siemens, SAP, Allianz, Deutsche Bank, plus US tech (Google, Amazon, Microsoft, Apple).

The 18-Month Job-Seeking Visa

After completing your Master's, Germany gives you 18 months to find a job related to your studies. Apply at local Ausländerbehörde with Master's diploma + financial proof (~EUR 1,000/month for 18 months = EUR 18,000). Most students secure jobs within 3-6 months.

Top Industries Hiring Indian MS Graduates

Industry	% of Indian Grads	Top Employers	Starting Salary
Software & Tech	~35%	SAP, Siemens, Google, Amazon, Microsoft	EUR 55-80K
Automotive	~25%	BMW, Mercedes, Audi, VW, Porsche, Bosch	EUR 52-70K
Banking & Finance	~15%	Deutsche Bank, JPMorgan, Goldman Sachs	EUR 70-95K + bonus
Consulting	~10%	McKinsey, BCG, Bain, Roland Berger	EUR 80-100K + bonus
Pharma & Biotech	~10%	Bayer, Boehringer Ingelheim, BASF	EUR 58-78K

The German CV — Different from Indian CV

Indian CV	German CV
1-2 pages	1-2 pages (same)
No photo (US-style)	Photo MANDATORY (small headshot)
Personal details limited	DOB, nationality, marital status REQUIRED
Functional / skill-based	CHRONOLOGICAL (reverse-chronological)
Lots of self-praise	Just facts, less salesy
Cover letter optional	Cover letter ESSENTIAL for every application

German CV Section Order

#	German Section	Indian Equivalent
1	Personal Information (with photo)	Name + contact
2	Berufserfahrung	Work Experience
3	Ausbildung	Education
4	Sprachen	Languages
5	EDV-Kenntnisse	Computer Skills
6	Hobbys	Hobbies (yes really — shows personality)

Best Job Portals for Indians

Rank	Portal	Why
1	StepStone.de	Most popular German job portal
2	XING.com	German LinkedIn equivalent
3	LinkedIn.com	Strong for international jobs

Rank	Portal	Why
4	Indeed.de	Job aggregator
5	Make-it-in-Germany.com	Government portal — BEST for Indians
6	Jobware.de	Engineering jobs

EU Blue Card to PR to Citizenship

Quick read: Germany has the FASTEST path to EU permanent residence (PR) of any major Western country: 21 months on Blue Card + B1 German = PR. Citizenship after additional 3-5 years = total 5-8 years from arrival.

The EU Blue Card (Blaue Karte EU)

Eligibility (2026)

Requirement	Detail
Education	Master's degree (your German MS qualifies!)
Job Offer	In Germany, matching your qualifications
Salary Minimum (General)	EUR 58,400 per year
Salary Minimum (Shortage IT/Eng)	EUR 45,300 per year
Passport	Valid
Health Insurance	Required

Benefits

Benefit	Detail
Initial Validity	4 years (or employment + 3 months)
Family Reunification	Spouse + children join immediately
EU Mobility	Move to any EU country after 18 months
PR Fast-Track	21 months to PR (with B1 German)

The 21-Month PR Fast-Track

Path	Time Required	Language	Other
Standard PR	5 years residence	B1 German	60 mo pension contributions
Fast-Track Blue Card	21 mo on Blue Card	B1 German	21 mo pension contributions
Even Faster (no B1)	33 mo on Blue Card	A1 German enough	33 mo pension contributions

The 5-Year Path to German Citizenship

Path	Residence	Language	Other
Standard Citizenship	5 years	B1 German	Einbürgerungstest, no criminal record
Fast-Track Citizenship	3 years	C1 German	Exceptional integration required

OCI — Your Solution to Dual Citizenship

India does NOT allow dual citizenship. If you become German citizen, you must surrender Indian passport. **Solution: OCI (Overseas Citizen of India)** gives you lifetime visa to India + most Indian rights (property, business, work) but cannot vote or hold government jobs.

Total Timeline: India to German Citizen

Year	Status
Year 1-2	German MS degree
Year 2.5	Job-seeking visa, find job
Year 3	EU Blue Card issued
Year 4.75	PR (Niederlassungserlaubnis)
Year 7-8	German citizenship
Year 7.5	Apply for OCI

"5-7 years from arrival to German citizenship is the FASTEST path of any major Western country for Indians. Compare to USA H1B-Green Card (~12-15 years for Indians) or Canada PR-Citizenship (~5-7 years)."

— Saumitra Rajput

50 Real Questions, Real Answers

Voice and AI search optimized. The 50 most-asked questions from Indian students about Germany, organized by category.

Cost & Funding

Q: Is Germany really free for Indian students?

A: Yes, public universities in 14 of 16 states have zero tuition. Bavaria + Baden-Württemberg charge EUR 1,500/sem.

Q: How much does it cost to study MS in Germany?

A: Total 2-year cost INR 15-22 lakh (cheap city) to INR 30-35 lakh (Munich/Frankfurt).

Q: How much money do Indian students need in blocked account?

A: EUR 11,904 for 2026 (INR 10.7 lakh). This is EUR 992/month × 12 months.

Q: Can Indian students afford Germany?

A: Yes — most middle-class Indian families can fund German MS via savings + education loan + part-time work.

Q: Are German education loans available in India?

A: Yes — SBI, HDFC, Axis Bank offer education loans at 9-12% interest. Up to INR 40 lakh covered.

Q: How much can Indian students earn part-time?

A: EUR 1,000-2,000/month at 20 hrs/week. Werkstudent jobs pay best (EUR 15-22/hour).

Universities & Admission

Q: Which is the best German university for Indians?

A: Depends on field: Tech — TU Munich. Engineering — RWTH Aachen. Sciences — Heidelberg. CS/AI — KIT or TU Munich.

Q: What CGPA is required?

A: 7.0+ for tier-3 (FH/Hochschulen). 7.5+ for tier-2 (TU Berlin, Stuttgart). 8.5+ for tier-1 (TUM, RWTH Aachen).

Q: Is GRE mandatory?

A: Not always. ~50% of universities don't require GRE. TUM, RWTH, KIT may recommend or require it.

Q: What IELTS score is required?

A: Most require 6.5 overall. Some accept 6.0. TOEFL iBT 88+ equivalent.

Q: How many universities should I apply to?

A: Apply to 7-10 universities: 2 reach (TU Munich), 4 target (TU Berlin, RWTH, KIT), 3-4 safety.

Q: Are German degrees recognized in India?

A: Yes — fully recognized by AICTE/UGC. Most German Master's degrees are equivalent to Indian Master's (Indian Equivalency Certificate).

Application Process

Q: What is APS certificate?

A: APS (Academic Evaluation Centre) is mandatory for ALL Indian students. Costs INR 9,000, takes 4-8 weeks.

Q: What is uni-assist?

A: Centralized German application portal (~150 universities). Costs EUR 75 first uni + EUR 30 each additional.

Q: When is the German MS application deadline?

A: Winter intake: July 15, 2026. Summer intake: January 15. Apply 3-6 months earlier for best chance.

Q: How long does the application take?

A: 6-8 weeks from submission to decision. Apply 4-6 months before semester start.

Q: Can I apply to TUM directly without uni-assist?

A: Yes — TUM, RWTH Aachen have their own portals. Most other universities require uni-assist.

Scholarships

Q: How can Indians apply for DAAD?

A: Visit funding-guide.de. Apply by October 31, 2025 for September 2026. Need 70%+ marks, IELTS 6.5+.

Q: How much does DAAD pay?

A: EUR 992/month + travel + insurance + study allowance. Total package ~EUR 15,000-30,000.

Q: What other scholarships are available?

A: Friedrich Ebert (EUR 861/mo), Konrad Adenauer, Heinrich Böll (EUR 1,200/mo), Erasmus+, Deutschlandstipendium.

Q: Can I get full scholarship for German MS?

A: Yes, but very competitive. Top profiles (CGPA 8.5+, leadership) can receive DAAD or political foundation scholarships.

Q: Do I need to be admitted to German university before applying for DAAD?

A: No — DAAD application is parallel to university application. Just have your target programs identified.

Visa & Documents

Q: How long does German student visa take?

A: 4-12 weeks at VFS Global. Apply 8-12 weeks before travel.

Q: What documents are required?

A: Visa form, passport, photos, university admission, blocked account proof, health insurance, all degrees + apostille, APS, IELTS, motivation letter, CV.

Q: What is the German visa rejection rate?

A: ~15-20% for tier-1 universities, ~10% for tier-2/3.

Q: Can I appeal a rejection?

A: Yes — but easier to fix issue and reapply. No waiting period required.

Q: Where do I take the visa interview?

A: At VFS Global office in New Delhi, Mumbai, Bengaluru, Chennai, or Kolkata.

Living & Daily Life

Q: Which German city is cheapest for Indian students?

A: Aachen, Dresden, Chemnitz, Cottbus. Total monthly cost EUR 600-850/month.

Q: How do Indian students find accommodation?

A: (1) Studentenwerk (cheapest, apply early), (2) WG via wg-gesucht.de (most popular), (3) Studio (most expensive).

Q: How much rent do Indian students pay?

A: EUR 280-450 in cheap cities (Aachen, Dresden), EUR 350-600 in mid-cost (Berlin, Cologne), EUR 450-700 in expensive (Munich).

Q: Are Indian groceries available?

A: Yes — Asia Markt and Indian Bazaar in all major cities. Or order online from indien-versand.de.

Q: Is Germany safe for Indian female students?

A: Yes — one of safest countries in the world. Strong gender equality culture. Excellent public transport even at night.

Language

Q: Do I need German for MS in Germany?

A: For STEM Master's (English-taught): No. For German-taught Master's: B2 required. For jobs: B1-B2 strongly recommended.

Q: How long does it take to learn German?

A: A1: 80-100 hours. A2: 200 hours. B1: 350-650 hours total. B2: 600-800 hours total.

Q: Best place to learn German in India?

A: Goethe Institute (Mumbai/Pune/Delhi/Bangalore/Kolkata/Chennai). Online: Lingoda, DeutschAkademie.

Q: Is German hard for Indians?

A: Initially yes (different alphabet rules, gender of nouns). After A2, becomes systematic.

Career & PR

Q: Average salary after MS in Germany?

A: EUR 55,000-80,000 starting. EUR 80,000-110,000 after 5 years.

Q: How long can Indian students stay after MS?

A: 18 months job-seeking visa. Then EU Blue Card if job secured.

Q: Can Indians become German citizens?

A: Yes — after 5 years residence + B1 German + Einbürgerungstest. Or 3 years if C1 + exceptional integration.

Q: Should I do MS in Germany or USA?

A: Germany if budget INR 15-25L + EU career. USA if budget INR 80L+ + US career.

Q: Germany or UK for Indian Master's?

A: Germany cheaper (INR 15-25L vs UK INR 40-60L), longer (2 years vs 1), better PR path.

Q: Germany or Canada for Indians?

A: Germany cheaper + faster PR (5 yrs vs Canada 5-7 yrs). Canada easier English-only environment.

Q: What is EU Blue Card?

A: Special work permit for highly-qualified non-EU professionals. Requires Master's + EUR 58,400 salary. Fast PR + EU mobility.

Q: Can I bring my spouse on EU Blue Card?

A: Yes — spouse joins on family reunification visa. Can work immediately, no separate work permit needed.

Q: Is OCI better than German citizenship?

A: Different: OCI is lifetime India visa. German citizenship is permanent EU rights. Most Indians get both (German citizen + OCI).

Specific Concerns

Q: Is there racism against Indians in Germany?

A: Generally no — academic and corporate environments are inclusive. Some incidents in smaller East German towns.

Q: Can I work in Germany without speaking German?

A: Yes — in tech multinationals (SAP, Google, Amazon, Microsoft), banking (Deutsche Bank IB), consulting (McKinsey). ~30% of jobs.

Q: Should I take consultant help for German application?

A: Recommended for first-time applicants. Saves time on common mistakes (APS, uni-assist, motivation letter). Kadamb Overseas: WhatsApp +91 99133 33239.

Q: Is winter intake or summer intake better?

A: Winter (most popular) — 4x more program options + better scholarship timing.

Q: Best time to start preparing for Germany?

A: 12-18 months before intended start date. Critical: start German + APS + IELTS prep early.

Bonus 1

Your 12-Month Application Roadmap

Use this month-by-month roadmap if you are targeting September 2026 intake. Customize dates for your timeline.

Month	Action	Why
August 2025	Decide field + research universities	Foundation phase
September 2025	Begin German A1 + IELTS prep	12 months out
October 2025	DAAD application deadline October 31	CRITICAL
November 2025	Take IELTS (target 6.5+) + Begin APS	Test scores ready
December 2025	Take GRE if needed + APS received	Documents
January 2026	Get all transcripts + apostille + translate	Document prep
February 2026	Draft motivation letter + request LORs	Application materials
March 2026	Begin uni-assist applications	Apply phase
April 2026	Submit applications to 7-10 universities	Last call for apps
May 2026	DAAD selection + university responses	Decision phase
June 2026	Choose university + open Sperrkonto + apply visa	Pre-departure
July 2026	Visa processing + accommodation search	Logistics
August 2026	Visa approved + travel preparation	Final prep
September 2026	MOVE TO GERMANY + Anmeldung within 14 days	ARRIVAL!

Bonus 2

SOP Template That Actually Works

Use this template, but **customize ALL specifics**. Generic SOPs get rejected. Replace [bracketed] sections with your real content.

Paragraph 1 — Hook + Background (~150 words)

My fascination with [specific topic, e.g., distributed systems / quantum computing / sustainable energy] began during my undergraduate research project on [specific project name] at [Indian University]. Working on [specific problem], I discovered the gap between theoretical algorithms and real-world deployment — a gap I now want to bridge through advanced study. The MSc [Program Name] at [University Name], particularly the work of Prof. [Specific Professor Name] on [their specific research], represents the ideal environment for this exploration.

Paragraph 2 — Academic Background (~150 words)

I completed my Bachelor of Technology in [Field] from [Indian University] with [GPA/percentage]. Beyond coursework in [specific relevant courses], I led [specific project: hackathon win / research paper / industry internship]. My undergraduate thesis on [specific topic] was supervised by [Indian Professor Name] and resulted in [outcome: paper, prototype, etc.].

Paragraph 3 — Why This University + This Program (~200 words)

The [Program Name] at [University] is uniquely positioned to advance my research interests. Specifically, [mention 2-3 specific courses, professors, labs, or research groups]. Prof. [Name]'s recent work on [specific paper/project] particularly excites me because [specific connection to your interest]. The [specific lab name] would allow me to extend my undergraduate research into [specific direction]. Additionally, the [specific industry partnership / location advantage / unique program feature] aligns with my career trajectory.

Paragraph 4 — Career Goals (~150 words)

After completing the MSc, I plan to [specific 5-year goal: pursue PhD at top university / join specific industry / return to India to apply learnings]. Long-term, I aim to [specific 10-year vision]. Germany's leadership in [your field] and the [University's] alumni network in [specific industry/region] make this the optimal path.

Paragraph 5 — Closing (~100 words)

I am committed to bringing my [specific skills + perspective] to the [University] community. My background in [Indian academic context] combined with the rigorous research environment at [University] will prepare me to make meaningful contributions to [specific field]. I am excited about the opportunity to contribute to your research community.

Bonus 3

Sample Email to a German Professor

Use this template to email professors for thesis supervision OR research opportunities.

Subject Line

Subject: PhD/MSc Thesis Inquiry — [Your Name], [Indian University]

Email Body

Dear Prof. [Last Name],

My name is [Your Name], a [year] student in [degree] at [Indian University]. I am writing to inquire about potential MSc thesis or research opportunities in your group.

I have been following your work on [specific paper or project], particularly your [specific finding]. My undergraduate research on [your project] aligns directly with the [specific gap] in this area, where I am exploring [specific extension].

I am currently applying to [University Name] for MSc [Program] starting September 2026, and your group's work is a primary reason for my interest. Specifically, the project on [their specific project] offers an ideal opportunity to extend my research into [specific direction].

I have attached my CV and a 1-page summary of my undergraduate research. Would you be open to a brief 15-minute video call to discuss this further? I am happy to work around your schedule.

Sincerely,

[Your Name]

[Indian University] | [Your email]

Tips for Cold-Emailing German Professors

- Plan to email 8-15 professors before getting one positive reply
- Personalize EACH email (mention specific paper/finding)
- Keep it concise (under 250 words)

- Follow up after 2 weeks if no response
- Send during German business hours (9 AM-5 PM CET) for higher response rate

How Kadamb Overseas Can Help You

Who We Are

Kadamb Overseas is India's most trusted Europe study consultancy, founded in 2012 in Ahmedabad, Gujarat. Over 14 years, we have personally placed **500+ Indian students** at top European universities including TU Munich, RWTH Aachen, KIT, Heidelberg, TU Berlin, Sorbonne, HEC Paris, ETH Zurich, EPFL, TU Wien, BOKU.

Our Founder: Saumitra Rajput

Credential	Detail
Years in Field	14+ years of Europe education expertise
German Universities Visited	40+ campuses personally
Students Placed	500+ Indian students
Visa Success Rate	97%
YouTube Channel	@EuropeWithSaumitra
Office	Ahmedabad, Gujarat, India

What We Offer (FREE)

- **30-Minute Strategy Consultation:** Profile review + best-fit universities
- **University Shortlisting:** Personalized list of 10-15 universities matching your profile
- **APS Certificate Support:** Step-by-step guidance through APS Pune appointment
- **uni-assist Application Help:** Document review + submission strategy
- **Motivation Letter Review:** Expert feedback on your SOP
- **DAAD/Scholarship Application Help:** Strategy for winning German scholarships
- **Visa Application Support:** Document prep + interview practice
- **Pre-Departure Briefing:** Cultural orientation + practical tips
- **Post-Arrival Support:** WhatsApp group with Kadamb alumni in Germany

What Our Students Say

"Saumitra sir guided me through every step of my TU Munich application. Without him, I would never have known about APS certificate or uni-assist. Now I am working at SAP Walldorf."

— Rohan, TU Munich MSc Informatics 2023

"Got DAAD scholarship for my Heidelberg MSc with Kadamb's help. Saved my family INR 25 lakh in costs."

— Priya, Heidelberg University 2022

"Kadamb helped me apply to 8 German universities + got admission to RWTH Aachen + KIT + TU Darmstadt. Chose KIT — best decision of my life."

— Arjun, KIT MSc CS 2024
